

TAKING CARE OF NEW JERSEY –

Riverview Medical Center, a member of Meridian Health's premier hospitals system in New Jersey seeks a **Board Certified Physician, in an ABMS approved specialty, for our Physician Advisor - Hospital Case Manager opening.**

This full-time or part-time position is designed as an administrative position to serve as a physician advisor for the hospital case management department. The successful candidate will form a collaborative partnership with administration, the medical staff, and the leadership and staff of the hospital case management department. This partnership will provide a comprehensive inpatient clinical resource management program that includes utilization management, progression of care management, social work services, and complex discharge planning.

The ideal candidate will have at least 5 years of clinical practice experience including inpatient experience. Working knowledge of admission and discharge criteria such as InterQual and Millman is a plus.

Riverview Medical Center, is a 325 bed community hospital, six times distinguished by J.D.Power and Associates and rated one of the top hospitals for quality in New Jersey. RMC is home to the region's first CyberKnife® radiosurgery center, Booker Cancer Center, Riverview Rehabilitation Center, Primary Stroke Center, Chest Pain Center and Spine Center.

The Mission of Meridian Health: Meridian Health is committed to improving the health and well-being of the residents of New Jersey by providing quality, patient-centered health care services delivered in hospital, community and in-home settings, and to advancing medicine through clinical education and research. We foster a culture of excellence within a collaborative environment. We actively seek innovative solutions, technologies and partnerships to support sustainable financial growth and to ensure communities we serve have access to a comprehensive continuum of integrated services that meet their present and future health care needs.
